

Attention Bus Drivers!

Please Note Our New Bus Parking Guidelines

All school buses need to enter at the **Fairgrounds Gate 5** and park in the parking field **PRIOR TO** unloading.* This will alleviate the congestion at the front entrance of the zoo, allow buses to move off the street more quickly and increase safety for children waiting to enter the zoo.

We sincerely appreciate your cooperation.

* Please see map on back. Exceptions to this policy will be made for buses of students with disabilities.

And, remember: Zoo admission for the bus driver is free! So, come on in, walk around and enjoy all there is to see!

If you have questions about your route to the zoo or what to do once you arrive, please call our office ahead of time, 417-833-1570.

Thank you!
