Birthday Buddies

Make your birthday party a “wild” experience. Schedule a private animal program for your birthday party group. The program will feature at least two live animals from our education program animals. Many of the animals in our collection are touchable. (Children age five and younger cannot touch reptiles.) Bio-facts (skins, sheds, teeth, claws, etc.) will also be available for up-close encounters.

“Birthday Buddies” are limited due to available personnel. Requests must be scheduled through the zoo’s Conservation Education Department. A minimum of two weeks’ advance notice is required for scheduling.

The fee for this fun and educational 20- to 30-minute experience is \$50. This offer is only available with the program voucher enclosed in the birthday party bag and must be paid in full at time of scheduling.
